Paper 2 Writing – Lesson 1 (Proofreading): Sentence completeness
Student sheet · 60 minutes · Lesson 1 of 3 before the mock

Today's job: by the end of this lesson you will have found and fixed errors in your own writing, without your teacher doing it for you.

WHY THIS LESSON MATTERS

The exam tells you exactly what it wants. Level 2: “Simple sentences are well formed.” Level 3: “Simple sentences, and some complex sentences are well formed.” Level 4: “A range of sentence structures is used accurately … errors do not affect overall clarity.”

So a sentence with no verb, or two sentences joined together by a comma, costs you marks in every answer you write — in Paper 2 and in the writing you do in Paper 3.

THE TWO QUESTIONS — ASK THEM OF EVERY SENTENCE YOU WRITE

1. Is there a verb?
2. Is there a subject?

The four ways a sentence dies:

• no verb • no subject • two sentences joined by a comma • a fragment that starts with “Because” or “Founded” and never finishes

PART 1: WHAT WE DO TODAY

Time	What you do
0–5	Fix five sentences, then mark your own work in a second colour.
5–15	Learn the two questions and the four codes.
15–25	Hunt the 8 errors in the text on page 2 — 10 minutes.
25–40	Write the leaflet section — 15 minutes, silent, pens only.
40–45	Proofread your own writing with the two questions — 5 minutes.
45–50	Fix in a second colour. Change at most ten words.
50–58	Count what you found and write three rows on your error card.
58–60	Say the last error you found.

The four codes — use them on your error card every lesson:

Code	What it covers	Example
S	Sentence boundary: missing verb, missing subject, two sentences joined by a comma, fragment	“I finished my homework, I watched TV.” → two sentences
V	Verb: ending, tense, missing “be”	“He go to school by bus.” → goes
W	Word form: right word, wrong form	“I am boring with this film.” → bored
N	Noun and article	“I bought a apple.” → an apple

PART 2: FIVE SENTENCES (2 MINUTES, THEN MARK YOUR OWN)

One of the five is already correct. Fix the other four. Work alone, in pen.

1. Our club was started by four art lovers in 2015, we now have more than 200 members.
2. A club member's most memorable experience a street painting challenge in Tsim Sha Tsui.
3. Because we want to share art with more teenagers.
4. Every month, the club hold a gallery for our members.
5. If you are interested in joining us, please email 852artclub@art.hk.

I found ___ of the 4 errors. Which sentence needed no change? No. ___

PART 3: THE 8-ERROR HUNT (10 MINUTES)

There are 8 errors in this text. Write the correction for each one — you do not need to say why.

We are a art club run by teenagers, we meet in the school art room every Friday. Founded in 2015 by four students who wanted to share their drawing skills with other young people in Hong Kong. Our members can join painting, photography and pottery workshops, and we also hold a gallery in the school hall every month, all members can show their work there. Last year the club invite a local artist to teach a weekend masterclass. Some members were very exciting about the visit. Our club also organise a street painting challenge every spring. The club very popular among S1 and S2 students. In the future, we plan to hold a photo competition and open a small gallery in Sham Shui Po. If you want to join us, please email 852artclub@art.hk.

PART 4: WRITE THE LEAFLET SECTION (15 MINUTES)

You work at the 852 Teen Art Club in Hong Kong. The club has asked you to write an information leaflet promoting the club. Below is the first page of the leaflet. Write the second page of the leaflet using the three headings below. The first one has been provided for you. Our background / A club member's most memorable experience / Our future activities

Write the section under heading 1, “Our background” (approx. 75 words).

15 minutes, silent, pens only. No notes, no dictionaries, no talking.

Level 3 group: include ONE complex sentence and put a star beside it.

Write your section below:

Words I wrote: _____

PART 5: READ YOUR OWN WRITING AGAIN (15 MINUTES)

Proofread (5 minutes): ask the two questions of every sentence you have just written. Circle anything suspicious. Do not fix it yet.

Fix (5 minutes): in a second colour. Change at most ten words, and do not restructure a whole sentence.

Count (5 minutes): fill in the two numbers and write three rows on your error card.

Errors I caught in the 8-error text:	_____ / 8
Errors I found in my own writing:	_____ in _____ words

My error card — three rows today:

Date	My sentence (wrong)	Correct version	Code

The last error I found was: _____

PART 6: MY THREE LESSONS (FILL IN ONE LINE EACH LESSON)

Do not compare this with anyone else's numbers. Compare it with your own line above.

Date	Errors caught in the 8-error text	Errors in my own writing

MY CARD — CUT IT OUT AND KEEP IT IN YOUR BOOK

EVERY SENTENCE: 1. Is there a verb? 2. Is there a subject?

FOUR CODES: S sentence boundary · V verb · W word form · N noun/article

IN THE EXAM: keep the last 3 minutes for proofreading. Fix, do not rewrite. Change at most ten words.

AFTER EVERY MOCK: write three rows on your error card — the wrong sentence, the correction, the code.
