**Paper 2 Writing – Lesson 1 (Proofreading): Sentence completeness**
Student sheet · 60 minutes · Write first · Lesson 1 of 3 before the mock

**Today's job: you write first, then learn one skill, then find the errors in your own writing yourself.**

The exam is explicit. Level 2: “Simple sentences are well formed.” Level 3: “Simple sentences, and some complex sentences are well formed.” Level 4: “A range of sentence structures is used accurately … errors do not affect overall clarity.”

**THE TWO QUESTIONS — ASK THEM OF EVERY SENTENCE YOU WRITE**

1. Is there a verb?
2. Is there a subject?

**Part 1: WHAT WE DO TODAY**

| Time | What you do |
|---|---|
| 0–3 | Nothing is marked today. You write first, then fix your own writing. |
| 3–18 | Write heading 1, “Our background” (approx. 75 words). Silent, pens only. Level 3 group: star one complex sentence. |
| 18–28 | Copy the two questions and the four codes onto your error card. |
| 28–38 | Find the 8 errors, count them: caught ___ / 8. |
| 38–43 | Hunt your own paragraph with the two questions. Circle, do not fix. |
| 43–48 | Fix in a second colour. At most ten words changed, no restructuring. |
| 48–56 | Write the two numbers and three rows on your error card. |
| 56–60 | Say the last error you found. |

**The four codes — use them every lesson:**

| Code | What it covers | Example |
|---|---|---|
| S | Sentence boundary: no verb, no subject, two sentences joined by a comma, a fragment | “Our school holds an art fair every year, more than 300 students take part.” → two sentences |
| V | Verb: ending, tense, missing “be” | “The studio open at four o'clock every afternoon.” → opens |
| W | Word form: right word, wrong form | “Many teenagers feel boring during the long holidays.” → bored |
| N | Noun and article | “It is a honour to perform in front of the whole school.” → an honour |

**PART 2: WRITE NOW (15 MINUTES)**

The task:

You work at the 852 Teen Art Club in Hong Kong. The club has asked you to write an information leaflet promoting the club. Below is the first page of the leaflet. Write the second page of the leaflet using the

three headings below. The first one has been provided for you.

Our background / A club member's most memorable experience / Our future activities

Write the section under heading 1, “Our background” (approx. 75 words).

15 minutes, silent, pens only. No notes, no dictionaries, no talking.

**Level 3 group: also include ONE complex sentence and put a star beside it.**

**Write your section below:**

**Words I wrote: _____**

**PART 3: THE 8-ERROR HUNT (10 MINUTES)**

There are 8 errors in this text. Write the correction for each one — you do not need to say why.

Our club was set up in 2015 by four students who were tired of art being treated as an optional subject, we wanted to prove that young people in Hong Kong have something to say. Since then, more than 600 members have passed through our studio in Sham Shui Po, and 12 of them now study design at university. Every month we hold a small exhibition in the school hall, last year a Form 3 member sold her first painting to a visitor from a local gallery. Our workshops are run by working artists rather than teachers. Which is why the club pays for all the materials you use. Last year the club invite a ceramicist to spend a weekend with us, and the waiting list reached 80 names. Some members were very exciting about that visit. Our club also organise a street painting day every spring. It is one of the most popular activity in our school. The club very popular among S1 and S2 students. If you want to be part of it, email 852artclub@art.hk.

**Errors I found: ___ / 8**

**PART 4: READ YOUR OWN WRITING AGAIN (10 MINUTES)**

Hunt (5 minutes): ask the two questions of every sentence in the paragraph you wrote at the start. Circle anything suspicious. Do not fix it yet.

Fix (5 minutes): in a second colour. Change at most ten words, and do not restructure a whole sentence.

Errors I found in my own writing: _____

**PART 5: COUNT AND LOG**

Do not compare this with anyone else's numbers. Compare it with your own line below.

| | |
|---|---|
| Errors I caught in the 8-error text: | _____ / 8 |
| Errors I found in my own writing: | _____ |

**My error card — three rows today:**
